We need your input - Saturday evening service survey

As part of our evangelism outreach to unchurched members of our community, the Church Council is exploring the possibility of adding a Saturday evening worship service. The Council also feels this could be a benefit to our current membership that may have personal or job-related conflicts that make it difficult to attend one of our four regular morning worship services. The purpose of this survey is to give members of Faith the opportunity to provide Council with their thoughts on this evangelistic effort. Council asks for your prayers as we explore this new avenue to worship our Lord.

The completed survey should be placed in the locked red box in the Centrum or mailed to the church office.

The deadline for completing this survey is June 30.
